GOT QUESTIONS?

GENERAL

PACKAGE RELATED

Transportation

We want your trip to the Andaman Islands to be smooth and enjoyable. Please go through the following important points regarding transportation and local logistics:

1.Point-to-Point Car Transfers

Transportation is provided via hired cars on a point-to-point basis. Vehicles will not stay with you throughout the day, especially during peak holiday seasons.

2.Sector-Wise Vehicle Allocation

Port Blair: Vehicles like XYLO, Ertiga (or similar)

Havelock Island: TATA Sumo, XYLO (or similar)

Neil Island: Eeco (or similar)

Please note, vehicle type may vary depending on availability.

3.Possible Wait Times

Due to a limited number of vehicles and the region's unique logistics, short waiting periods may occur. Your patience is appreciated.

4.Island Transfers via Ferry

Inter-island travel to Neil, Havelock, or Elephant Beach is by private or government ferries. Ferry schedules are subject to change and will be communicated locally.

5.Ferry Timing Updates

Exact ferry timings will be provided on-ground, as they may vary day to day.

6.Vehicle Seating Limits

Due to the absence of luggage carriers on vehicles, a maximum of 5 people per AC vehicle (including children) is allowed. A 6th person will require a separate luggage vehicle.

7.Cellular Jail Access

Vehicles cannot park directly at the Cellular Jail. Guests will be dropped approximately 400 meters away and must walk to the entrance. This applies to the Jail visit and the Sound & Light show.

8.Limited Transport on Havelock Island

Vehicles are limited on Havelock (Swaraj Dweep). Please strictly follow pickup and drop-off timings provided by your driver or on-ground executive.

9.Driver & Vehicle Changes

Due to local syndicate norms, drivers and vehicles change frequently at Havelock and Neil. Many drivers come from rural areas and may not be trained in standard tourism etiquette or fluent in English. We request your patience and kindness while interacting with them.

10.Safeguard Your Belongings

As vehicles and drivers change often, always carry your personal belongings with you. Lost items are rarely recovered.

11.Timely Readiness Required

Be ready on time and wait in the hotel lobby. Parking shortages and logistical constraints mean drivers may not wait long. Upon arrival, please board quickly—delays may attract penalties from traffic officials.

12.Luggage and Vehicle Comfort

Although legally 6 people (adults or childrens) are allowed in luxury vehicles (Scorpio/Xylo), for a comfortable and safe journey, we recommend a maximum of 4-5 adults per vehicle. Please travel light, with one bag per person.

Hotels And Infrastructure

1.Locally Sourced Construction & Simplicity

Most hotels in the Andaman Islands are built using locally sourced materials, resulting in simple, clean, and functional accommodations. These properties may not offer the luxury amenities typically found in more developed tourist destinations.

2.Extra Bed Policy

Instead of a standard extra bed, most hotels in this region provide a mattress or roll-away bed as a supplement.

3.Basic Tourism Infrastructure

Tourism infrastructure in the Andaman Islands, particularly in remote areas, is relatively underdeveloped. Visitors are advised to manage expectations and not compare services with those available in the mainland or other well-established tourist destinations.

4.Limited Accessibility in Hotels

Many hotels do not have elevators, and guests may need to climb stairs to access their rooms. If you or anyone in your group has health conditions such as high blood pressure, respiratory issues, knee or heart problems, or difficulty with stairs, please inform us in advance. We will do our best to arrange a more accessible room, subject to availability and any applicable cost differences to be settled directly with the hotel upon check-out.

5.Water and Electricity Constraints

Being remote islands, the Andamans face natural limitations regarding water and electricity supply. Water is purchased for daily use, and power outages (load shedding) are common. Some hotels implement fixed water supply schedules. We regret any inconvenience caused and appreciate your understanding.

6.Limited Hot Water Availability

Many hotels in Havelock Island do not provide hot water facilities. If hot water is essential for you, please inform us at the time of booking so we can recommend a suitable hotel.

7.Seafood Availability and Pricing

Although the Andaman Islands are rich in marine life, the lack of commercial fishing and high local demand result in limited seafood availability. Consequently, seafood is often expensive. Most hotels serve chicken as the standard non-vegetarian option. Items like lobster and prawns are always charged extra and are not included in standard meal plans.

8.Power Backup Facilities in Budget Hotels

Budget and Standard (STD) hotels may not have generators and usually rely on inverters for power backup. In case of a power outage, only basic amenities such as lights and fans will function, and that too for a limited duration.

9.Limited Internet Access

Wi-Fi/internet facilities are not available at most hotels in Havelock. Only Deluxe, Luxury, and Premium category hotels may offer internet access—and typically only in the lobby area.

On-Ground Travel Limitations

1.Photo ID Requirement

A valid government-issued photo ID is mandatory to enter the Port Blair jetty. (PAN Card is not accepted.)

2.Alcohol Restrictions

Carrying alcohol on board ferries is strictly prohibited. Alcohol is also not allowed on Elephant Beach under any circumstances.

3.Elephant Beach Boat Transfers

Boats to Elephant Beach are managed by a local boat association. Each guest must sign a consent form before boarding. Boat allocation is done on a rotational and shared basis, and wait times may occur. Please note that we have no control over the queue or waiting duration.

4.Ferry Check-in Timings (Havelock)

Guests traveling to or from Havelock via private ferries must report to the ferry counter at least 1 hour prior to the scheduled departure time.

5.Havelock Hotel Check-out

Most hotels in Havelock have an early morning check-out policy. Late check-out is strictly subject to hotel discretion and availability.

6.Tide-Based Excursions

Visits to certain beaches (such as the Three-Beach Tour) are subject to tide conditions. Our ground staff will inform you of the exact timings based on daily tide schedules.

7.Neil Island (Shaheed Dweep) Hotel Check-out

Hotels on Neil Island also follow an early check-out schedule. Late check-outs are not guaranteed and depend solely on hotel policies and room availability.

8.Port Blair Airport Advisory

Port Blair Airport has a single runway and experiences high traffic during tourist seasons. Guests are advised to report to the airport at least 1.5 hours before flight departure.

9.Mobile Connectivity

Local ground staff use regional SIM cards, and network issues are common in remote areas. If you are unable to connect via call, please send an SMS, and the team will respond once the network is restored.

10.Unscheduled Public Holidays

The Andaman Islands are governed by a Lieutenant Governor. Public holidays may be declared at short notice, resulting in the sudden closure of tourist sites. While we will do our best to reschedule or provide alternate plans, such closures are beyond our control.

11.Dry Days

The local administration may declare dry days (no alcohol sales) without prior notice. These decisions are outside our influence and apply island-wide.

12.Cash & ATM Access

Port Blair has multiple ATMs for guest use.

Havelock Island has only two ATMs, often with limited cash availability.

We strongly recommend carrying sufficient cash for meals, water activities (snorkeling/diving), and local expenses.

Most hotels and vendors in Havelock do not accept credit/debit cards.

13.Baratang Excursion

For Baratang excursion depending upon the Hotel location in Port Blair

The guest have to wake up early around 2:30 or 3am in the morning and leave for baratang which starts at 6:00am approx.

The distance from portblair to baratang is around 110kms.

Breakfast & Dinner

1.It's not easy to get vegetarian food outside hotels so plan your meals at the hotels. Also it is advisable to carry light / dry snacks.

2.Menus are very basic at all hotels

3.Repetitive dishes are possible.

Climate & Weather

1.Port Blair has a tropical monsoonal climate (Köppen-Geiger classification: Am) with a dry season and a heavy monsoon the rest of year, no cold season.

2.The hottest month (April) is hot having an average temperature of 27.9 degrees Celsius.

3.January is the coldest month (fairly hot) with an average temperature of 25.2 degrees Celsius.

Uncertainties

1.Due to non-availability of night life the whole area goes to bed early & wakes up early. We request you to go to bed on time so that next day you can start your tour early.

2.There will be no refund of any unutilized service in part or in full what so ever may be the reason.

3.Ferry Cancellation happens sometimes (4-5 times) a year due to rough seas. Expenses incurred for diversion, due to this or any other reasons will be collected directly as per actual expenditure incurred.

4.Since these are Islands there is scarcity of water & electricity which is natural phenomenon.

Everybody buys water for their day-to-day needs & have learnt to live even without electricity. In case of Load Shedding, kindly bear with such situation. To overcome the water crisis certain hotels have fixed schedule for supplying water. We strongly regret the inconvenience.
